9. [REDACTED] CONSTITUENT Maureen McInerny, in the office of Senator Jacob Javits (R., N. Y.), called with a constituent's question about a "Counter Intelligence Corp" in the Government. I suggested the constituent might be referring to the old Army CIC and that she might wish to reach the Army about this. She said she would do so.

11. [REDACTED] BRIEFING I joined [REDACTED] and several of his colleagues, from OER, and [REDACTED], NFAC/CSS, for a discussion and exchange of views with Senate Foreign Relations Foreign Assistance Subcommittee staffers Joel Johnson and Rudolph Rousseau. Their interest was to seek help and advice for a major study of U.S. foreign aid programs looking to hearings and legislation early next year. The exchange was frank and cordial, and we concluded there were ways we might help but not in the extensive way that the visitors saw it. (See Memorandum for the Record.)

13. [REDACTED] LIAISON Placed a call to Peter Stockton, on the staff of the Subcommittee on Energy & Power, House Committee on Interstate and Foreign Commerce, to ascertain from him how soon the Subcommittee intended to interview Mr. Richard Helms, former DCI, [REDACTED] Mr. Stockton said it was his understanding that Mr. Helms would not be interviewed before the Subcommittee was given a briefing requested by Chairman John D. Dingell (D., Mich.) in his 19 October letter. Mr. Stockton agreed to get back to me if this were not the case and I thanked him for the information.
